# neptune® E4000

Operators Guide for E4000 with no Flow Valve Control, ("NONE" BATCH mode)

How to make a delivery

1. Insert ticket in the printer

2. From the "NEPTUNE" root menu, press either of the white buttons ⟩ or ∧ on the four button front control panel, until "ROUTE" is flashing. Then press the green START/ENTER button.

> **NEPTUNE**
> ROUTE   SUPERVISOR   W&M

3. Press ⟩ or ∧ until "DELIVERY" is flashing, then press the START/ENTER button.

> DELIVERY   VOL   REPORTS

4. Press ⟩ or ∧ until the product that you intend to deliver is displaying in the "SELECT PRODUCT" menu, then press the START/ENTER button to confirm the correct product. For a priced product the display will show the gross price, confirm this is the correct price by pressing the START/ENTER button (or press STOP/CANCEL to return to the "SELECT PRODUCT" menu).

> SELECT PRODUCT
>   FUEL #1

> GROSS PRICE $/VOL
>   __ $/ GAL

5. The display will reset, and then you can open the manual valve to begin the delivery.

> NET/TOT $/VOL
> NET 60 F   0.0 GAL

6. When the delivery is complete, close the manual valve.
To print a delivery ticket

1. Press the STOP/CANCEL button to terminate the delivery and print the delivery ticket

If additional copies of the delivery ticket are required press the START/ENTER button once for each copy required (each copy will have "DUPLICATE" printed at the bottom).

After printing the ticket, press the STOP/CANCEL button to complete the delivery and return to the "SELECT PRODUCT" menu (To return to the NEPTUNE root menu press the STOP/CANCEL button 2 times).

To print a shift report

1. From the NEPTUNE root menu, press either ⟩ or ⋀, on the four button front panel, until "ROUTE" is flashing, then press the START/ENTER button.

```
                            NEPTUNE
        ROUTE           SUPERVISOR              W&M
```

2. Press ⟩ or ⋀ until "REPORTS" is flashing, then press the START/ENTER button.

```
        DELIVERY            VOL            REPORTS
```

3. Press ⟩ or ⋀ until "SHIFT" is flashing, then press the START/ENTER button.

```
            SHIFT                    CALIBRATION
```

4. Press the START/ENTER button when the display reads "PRINT-END-OF SHIFT REPORT?"

```
        PRINT END-OF-SHIFT
        REPORT?
```

5. The end of shift report will now print.
